PREAMBLE
Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership. We are self-supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

ALCOHOLICS
ANONYMOUS
Revised 1/2020
TWELVE SUGGESTED STEPS OF ALCOHOLICS ANONYMOUS

1. We admitted we were powerless over alcohol; that Our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves Could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

-TWELVE TRADITIONS OF ALCOHOLICS ANONYMOUS-

1. Our common welfare should come first; personal recovery depends upon A.A. unity.
2. For our group purpose there is but one ultimate authority- a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for A.A. membership is a desire to stop drinking.
4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
5. Each group has but one primary purpose- to carry its message to the alcoholic who still suffers.
6. An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
7. Every A.A. group ought to be fully self-supporting, declining outside contributions.
8. Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal Anonymity at the level of press, radio and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

-THE ALCOHOLICS ANONYMOUS “HOME GROUP”-

“Traditionally, most A.A. members through the years have found it important to belong to one group which they call ‘Home Group’. This is the group where they accept responsibilities and try to sustain friendships. And although all A.A. members are usually welcome at all groups and feels at home at any of these meetings, the concept of the ‘Home Group’ has still remained the strongest bond between the A.A. member and the Fellowship.” (from The A.A. Service Manual).

With membership comes the right to vote upon issues that might affect the group and might also affect A.A. as a whole – a process that forms the very cornerstone of A.A.’s service structure. As with all group-conscience matters, each A.A. member has one vote; as this, ideally, is voiced through the home group.

Over the years, the very essence of A.A. strength has remained with the home group, which, for many members, becomes their extended family. Once isolated by their drinking, they find in the home group a solid, continuing support system, friends and, very often, a sponsor. They also learn firsthand, through the group’s workings, how to place “principles before personalities” in the interest of carrying the A.A. message.

Talking about her own group, a member says: “Part of my commitment is to show up at my home-group meetings, greet newcomers at the door, and be available to them – not only for them but for me. My fellow group members are the people who know me, listen to me, and steer me straight when I am off in left field. They give me their experience, strength and A.A. love, enabling me to ‘pass it on’ to the alcoholic who still suffers.”
